**The staff and management of Guatemala Medical Travel, operating in Antigua Guatemala, will act as your assistant and advocate to facilitate communication and logistics in the event of a medical emergency.**

**What you can expect from Guatemala Medical Travel agents:**

1. To call your medical provider at the first opportunity to notify them that you are a priority patient being represented by Guatemala Medical Travel.
2. To contact the medical specialist most appropriate to your needs and to be sure that you will receive the best possible care as soon as possible.
3. To contact your friends and family as listed, and alert them to the facts surrounding your situation.
4. To advocate for your best interest in communications with doctors and hospitals.
5. To assist with financial transfer and payment processing to avoid delays in treatment.
6. To follow-up with your doctor's orders regarding pain management and therapies toward a successful recovery.

**Please attach any recent medical exams or test results that you think would assist your doctor to treat you most effectively in case of emergency.**

Other notes about your health condition:

GMT does not directly provide emergency medical care or payment plans.
